

VAYU MANDAL

JULY - DECEMBER 2006

CONTENTS

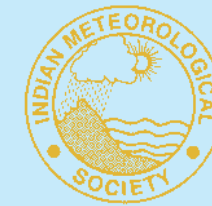

| | | | | |
|-----|---|---|---|----|
| 1. | Impacts of modes of SST and wind anomalies over the Indian Ocean on Indian monsoons | - | G. Krishnakumar, M. Rajeevan and Alaka. S. Gadgil | 3 |
| 2. | Climate change and agriculture: An overview | - | S. D. Attri | 10 |
| 3. | Prediction of maximum temperature over Bhopal | - | D. P. Dubey and M. L. Kanojiya | 27 |
| 4. | Salient features of pre-monsoon season rainfall over Gangtok | - | T. P. Singh, Virendra Singh and R. K. Giri | 32 |
| 5. | Climatological study of thunderstorm / duststorm over major airports of Rajasthan | - | R.C. Vashisth and S.C. Bhan | 37 |
| 6. | Saffron productivity and weather | - | R.K.Giri, S.D.Attri, M.K.Verma and Siddhartha Singh | 40 |
| 7. | Need for and role of Agrometeorology in crop insurance | - | S. Venkataraman | 45 |
| 8. | Variation of Convective Parameters over Srinagar | - | Siddhartha Singh and R.K.Giri | 48 |
| 9. | Human comfort at Chandigarh | - | Manmohan Singh, S.D. Attri and S.C. Bhan | 53 |
| 10. | Atmospheric low pressure & human health : Medical meteorology | - | Deepak Bhattacharya | 58 |

VAYU MANDAL

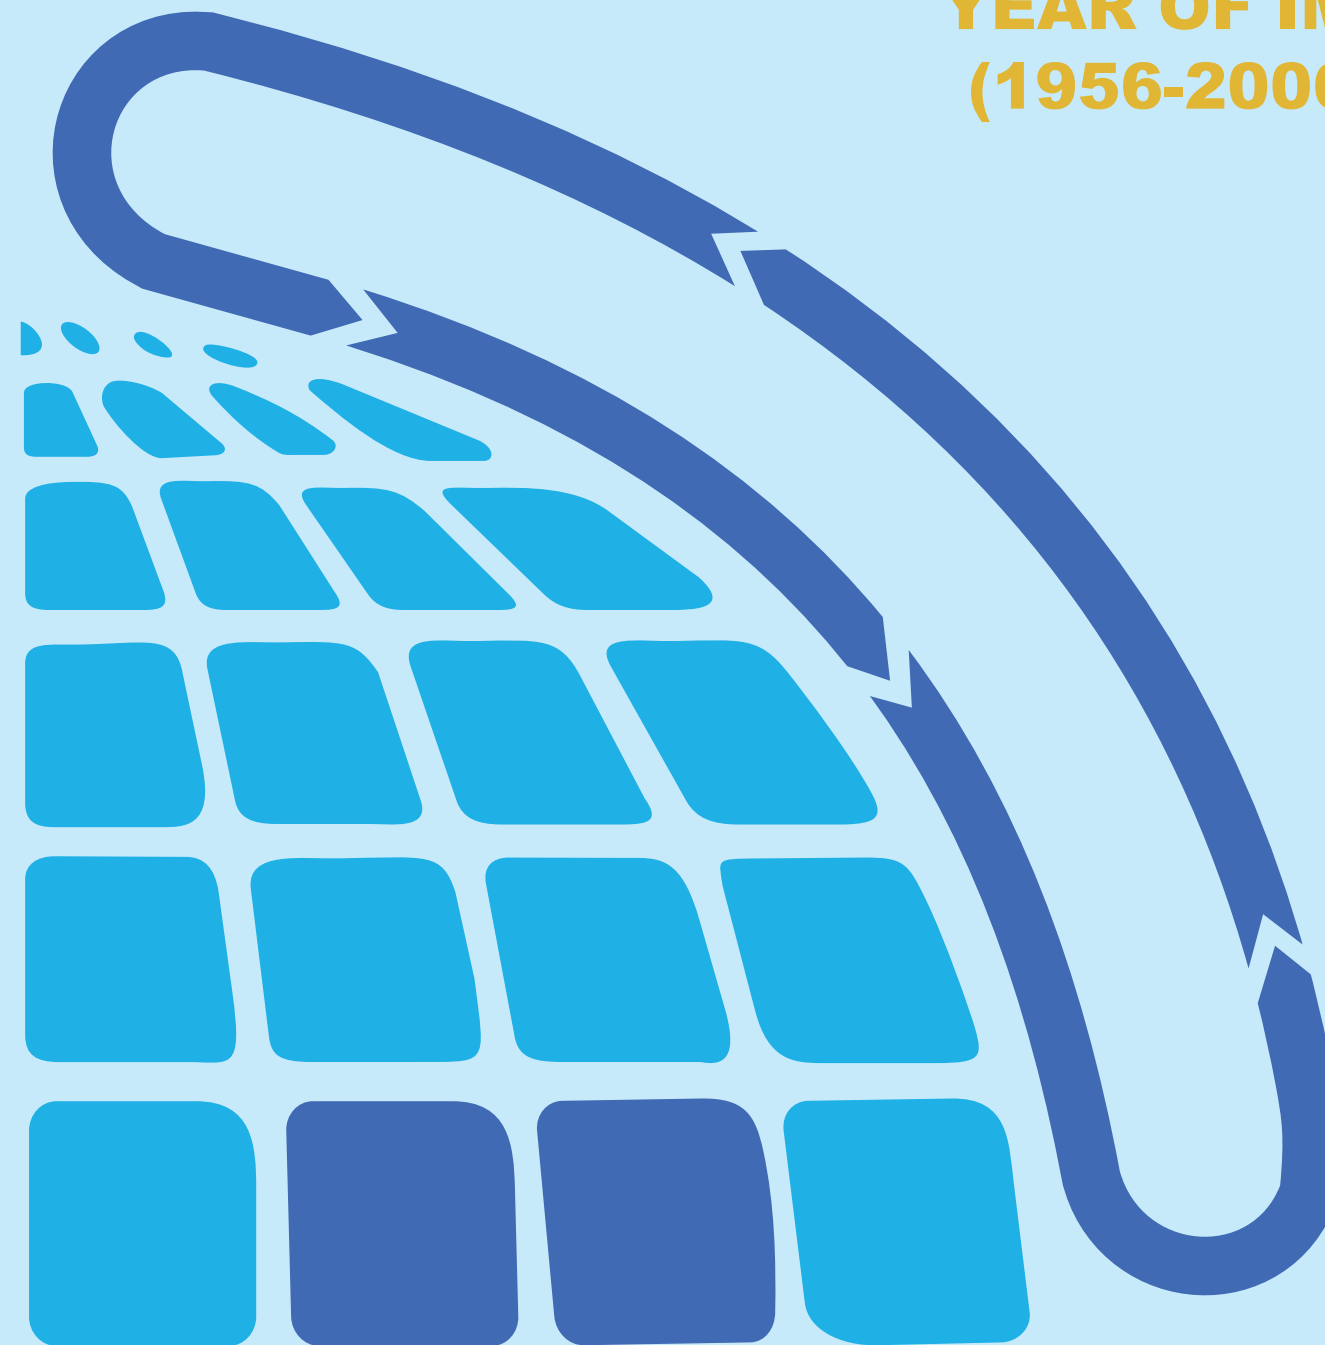

VOL. 32 NO. 3-4

JULY - DECEMBER 2006

Bulletin of Indian Meteorological Society

**GOLDEN JUBILEE
YEAR OF IMS
(1956-2006)**

Indian Meteorological Society

National Council: 2005-2007

| | | <i>Members :</i> | |
|-----------------|--|-------------------|--|
| President | : Dr. G. B. Pant | Dr. D. R. Patnaik | Dr. L. S. Rathore |
| Immediate Past | : Dr. S. K. Srivastav | Dr. M. Satyakumar | Dr. D. S. Pai |
| Vice-presidents | : Dr. P. V. Joseph Shri. Brij Bhushan | Dr. C. K. Rajan | Sh. V. Gopalkrishnan Dr. G. C. Basu |
| Secretary | : Shri. P. RajeshRao | Dr. M. K. Guha | Sh. K. K. Chakroborty |
| Jt. Secretary | : Dr. S. D. Attri | Dr. S. K. Dash | |
| Treasurer | : Shri. D. K. Malik | | |

- The Society was established in 1956 and was registred on 26 May, 1972 Under the Societies Registration Act of 1860 as amended by Punjab Amendment Act 1957 and applicable to the Delhi State. Registration No. of the Society is 5403.
- Objectives of the Society
 - Advancement of Meteorological and allied sciences in all their aspects
 - Dissemination of knowledge of such sciences both among the scientific workers and among the public and
 - Promotion of application of Meteorology and allied sciences to various constructive human activities.
- The Society is non-profit making organization and none of its income or assets accrue to the benefit of its members.
- Activities of the Society
 - To encourage and expand research activity.
 - To organise meetings, discussions, symposia, conferences etc.
 - To arrange to publish suitable publications.
 - To promote cooperation scientific work as far as it may be practicable between Government Department, academic and other research institutions, scientific societies and industries.
- The Society's Headquarter is located at Delhi and its local chapters are functional at various places in India.
- Any person who is interested in the aims of Society is eligible to become a Member. The annual subscription of membership is Rs. 50 (U.S. \$ 10). Life membership subscription is Rs 500 (U. S. \$ 100) for scientists from India (abroad). Admission fee is Rs. 15 (U. S. \$ 5).

Editorial Board of Vayu Mandal

| | |
|---------------------|------------------|
| Chief Editor | Sh. R. C. Bhatia |
| Editor | Dr. S. D. Attri |
| Circulation Manager | Sh. D. K. Malik |

Members of the Board:

- Dr. R. K. Datta
 - AVM (Dr.) Ajit Tyagi
 - Dr. S. M. Kulshrestha
 - Dr. R. R. Kelkar
 - Prof. S K Dube
 - Sh. D. R. Sikka
 - Prof. U. C. Mohanty
 - Prof. S. K. Dash
 - Prof. O. P. Sharma
 - Dr. G. B. Pant
 - Prof. B. N. Goswami
 - Dr. U. S. De
 - Dr. L. S. Rathore
 - Sh. A. K. Bhatnagar
 - Dr. H. R. Hatwar
 - Air Cmde G. P. Sharma
 - Dr. P. C. Joshi
 - Sh. S. C. Bhan
- Vayu Mandal, which is the official bulletin of the Indian Meteorological Society, is published twice a year. Price per copy is Rs. 50. The annual subscription is Rs. 100. For Foreign Subscribers the rates are US \$20 (by air mail) and US\$ 10 (by ordinary mail). Members of the Indian Meteorological Society receive a free copy.
 - Correspondence and contributions to the Journal may be sent to the Managing Editor, Vayu Mandal c/o Mausam Bhawan, Lodi Road, New Delhi-110 003. The papers should be typed in double spacing. The number of figures, photographs and tables should be kept to the minimum possible and they should be in a form ready for photo reproduction. Use of mathematical expressions may be minimized and lengthy list of references avoided. Subscription by Demand Draft/Local Cheque Payable to Indian Meteorological Society at Delhi may be sent to the Secretary.
 - Authors will receive the copy of the issue of Vayu Mandal containing their contributions. Extra Copies can be provided on advance payment.
 - The society can use any material published in Vayu Mandal in other publications.
 - The editor and the society are not responsible for the views expressed by any author in their contributions published in Vayu Mandal.

Guidelines to Authors

General

Only original work should be submitted. It should not have been published earlier in any form or should not be under consideration elsewhere. Manuscripts should be sent, in duplicate, (with 2 sets of diagrams, on original and the other photocopy) to the Managing Editor, Vayu Mandal, C/o Mausam Bhavan; Lodi Road, New Delhi - 110003.

Presentation

Articles should be as brief as full documentation allows. They should not usually exceed 5-6 printed pages (approx. 4000 words) including diagrams. Invited articles can be upto 10 pages. Papers must be written clearly and concisely with consistency in style and spelling, and typed double spaced on good paper. The format is 'Abstract', 'Key words', 'Introduction', 'Data and Method', 'Discussion', Summary/Conclusions', 'Acknowledgements' (if any), and 'References'.

Title

Title should be specific, brief and informative of the subject discussed.

Key words

Up to five key words should be provided.

Abstract

The abstract should be typed on a separate page and should not exceed 100 words.

Text

Only standard abbreviations should be used.

All measurements should be in SI units. Avoid beginning of a sentence with numbers.

Tables

All tables must be numbered serially and be placed at the end. Tables should carry brief titles. Abbreviations used in the table should be defined at the bottom of the table.

Illustrations

A set of original drawings on transparency paper and photocopies must be sent along with the manuscript. All diagrams must be neatly labelled. Maximum size of a diagram can be A4 size.

References

References in the text should be cited by a number. References at the end of the paper should be listed by number, in the same order in which they are cited in the text. The references should contain the author(s) name(s), year, title, name of the journal, (in standard abbreviations), Vol. No., and pages. References to book should contain name of Editor, if any, preceded by, Ed(s), place of publication, publisher, and year of publication and chapter or pages referred to. References to thesis should contain the degree, the year in which submitted, the university and the place. Samples are given below :

- Mooley D.A. and Munot, A.A., 1993, 'Variation in the relationship of the Indian Summer Monsoon with global factors', Proc. Indian Acad. Sci., (Earth Planet Sci.) Vol. 102, No. 1, pp. 89-104.
- Asnani G.C., Tropical Meteorology, Pune, 1993, pp 120-134.
- Phillips N.A. The atmosphere in Motion', Ed. B. Bolin, New York Rockefeller Inst. Press., 1959, pp 501-504.
- Singh U.S., 'Some studies on Vertical Motion and diabatic heating over the Indian Monsoon region', Ph.D Thesis, 1975, Banaras Hindu University, India.
